## Who We Are

Fixity Education partners with schools from Pre-Primary to High School, providing curriculum, books, digital classes, assessments, and teacher training. With expert-designed content and advanced technology, we help schools deliver world-class learning without worrying about academic management.

## The Fixity Edge (What Makes Us Different)

### Digital Content: Learning Beyond Books

Animated digital content that simplifies concepts for deeper student understanding.

### Teacher orientation & support: Teachers First

Year-round orientations and support to make teaching smoother and more effective.

### Exams support: Complete Exam Care

From question papers and OMRs to evaluation and parent result updates.

### Schedules: Planned to Perfection

Ready-to-use schedules guiding schools on what to teach and when.

### Year round guidance: Guided by Experts

Subject Matter Experts visit schools regularly to mentor teachers and management.

### Student analysis: Smarter Insights

AI-driven student analysis offering deep, actionable performance reports.
