What we do

Fixity EDX partners with educational institutions, corporates, CSR foundations, and government bodies to design scalable, measurable training ecosystems that integrate:

Our Four Core Verticals

Colleges

Academic programs, structured CRT, advanced interview performance, industry certifications, and future-focused skill development.

Many more...

Corporate

Role-based workforce upskilling and capability enhancement programs.

Many more...

CSR

Large-scale employability-oriented skilling initiatives.

Many more...

Government

Structured institutional skill development and implementation projects.

INSPIRE

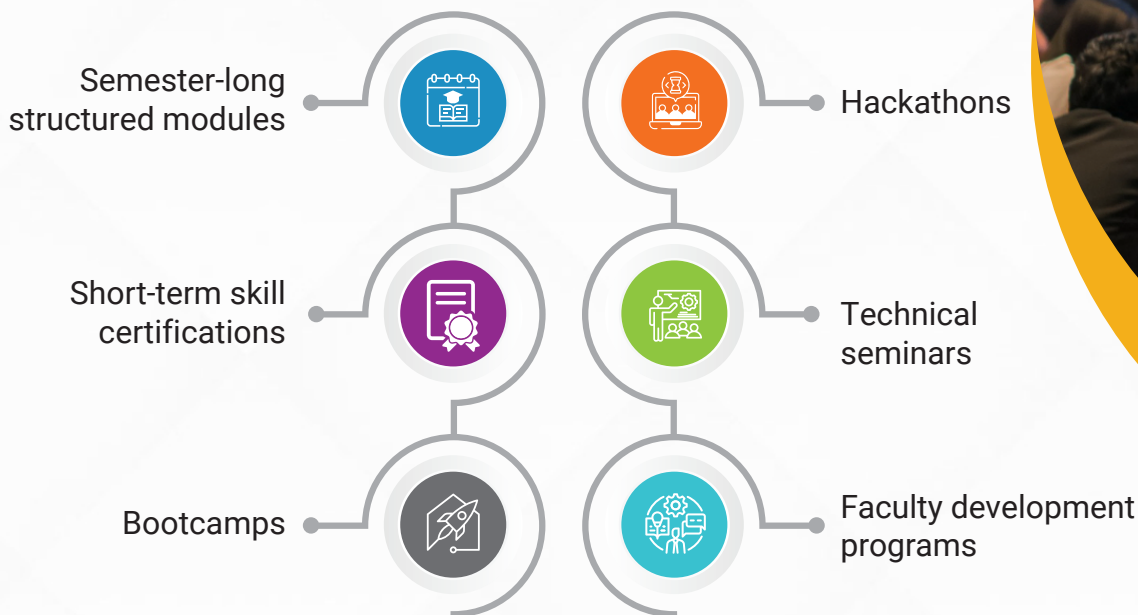

Industry-Specific Professional Internship Readiness Excellence

INSPIRE strengthens foundational academic and professional readiness across early semesters. (1st to Pre-Final Year Students)

Key Focus Areas

Program Formats

INSPIRE | builds progressive professional readiness before students enter their final academic year.

THRIVE

Training Hands-On for Real Industry Value & Experience

THRIVE supports structured transition from campus to industry through comprehensive preparation. (Final Year Students)

Core Campus Recruitment Training serves as the foundation, with Advanced Interview Performance and Company-Specific Preparation offered as add-on modules.

Advanced Interview Performance

-  Case-based technical discussions
-  Technical articulation drills
-  Role-oriented simulations
-  Structured problem-solving frameworks

Targeted Company Hiring Accelerator

-  **Analyse:** Breakdown company pattern
-  **Prepare:** Train as per company standards
-  **Practise:** PYQ Tests and interviews
-  **Perform:** Crack interview & secure offer

 **accenture**

 **cognizant**

 **tcs**

 **Deloitte.**

And more...

THRIVE | enhances interview readiness and role alignment.

Industry Certification Training Programs

Structured Certification Preparation

Fixity EDX delivers certification-oriented training aligned to global industry standards.

Google Cloud Platform

Program Highlights

- Structured curriculum delivery
